A WARNING TO ALL CHRISTIANS
WORLD'S IMPENDING CRISIS - THE CAUSE AND DUTY OF CHRISTIANS - THE RESULT
International Bible Students Pass Resolution

Adopted by International Bible Students Association Convention at Los Angeles, August 25, 1923

We, the International Bible Students in general convention assembled, agree to declare our absolute faith in and allegiance to Jehovah God our Father and to His beloved Son Christ Jesus as our absolute confidence in the Bible as God's inspired Word of Truth given to man for his guidance and instruction in right living.

As followers of our Lord who are diligently striving to be His true and faithful servants, we deem it of all peace and order loving peoples of all the nations to the declarable conditions now existing in the world and to point to Messiah's kingdom as the only remedy for national and individual ills.

We hold that Jesus Christ organized His church in purity to represent Him upon earth; that selfish and ambitious men, loving earthly honors and glory more than the approval of God, have brought in false doctrines destructive of faith in God and His Word, so that as a result there now exist in the various denominational churches two general classes, to wit:

1. Those who pretend to be Christians but do not believe in the Bible as God's inspired Word of Truth, which reproduces the doctrines of the fall of man and His redemption through the blood of Jesus Christ; the church of the ungodly, which acknowledges the 'principal of their flock;' are worldly men of strong financial and political influence, which exercises the controlling influence and power in the denominational organizations; and
2. Those who believe in Christ and who hold and believe the fundamental doctrines of Christianity, namely, that the Bible is the Word of God written under inspiration of the Holy Spirit; that the Lord Jesus came into the world to redeem man from sin and death; that He gave His life a ransom for mankind; that He rose from the dead and ascended into heaven and will come again and reign as King and Lord, as He promised.

We have forsaken the Word of God, denied the fall of man and denied the Lord Jesus by whose blood man is justified; and 1.

2. We have used the same Christian and the Christian religion as a cloak to hide their unrighteousness and political and financial power. Jeremiah 2:31-34; Revelation 18:5.

While posing as the representatives of the Prince of Peace, they have assailed war, openly advised, encouraged and engaged in war, and by appealing to the patriotism of the people have sought to enslave the nations of earth; and the leaders of the people, who have been beguiled by this false doctrine and denied the fall of man, the blood of Jesus Christ as the redemptive price of man, and deny the fall of man, the blood of Jesus Christ as the redemptive price of man, and will come again and reign as King and Lord, as He promised. They have used the same Christian and the Christian religion as a cloak to hide their unrighteousness and political and financial power. Jeremiah 2:31-34; Revelation 18:5.

We therefore call upon all who love peace and order and who believe in the Bible as God's inspired Word toည view the need that it is the duty of the Bible Students to bring the following message to the nations of the world:

These leaders and rulers deny, they have taken counsel together against the nations of the earth; they have clothed the naked, visited the sick and ministered to those wrongfully imprisoned in the name of mankind and as the political expression of God's will, have engaged in war; they have wrongfully preached the men into the trenches, caused them to fight and die, have encouraged and advocated the same, and by appealing to the patriotism of the people have sought to enslave the nations of earth; and the leaders of the people, who have been beguiled by this false doctrine and denied the fall of man, the blood of Jesus Christ as the redemptive price of man, and deny the fall of man, the blood of Jesus Christ as the redemptive price of man, and will come again and reign as King and Lord, as He promised. They have used the same Christian and the Christian religion as a cloak to hide their unrighteousness and political and financial power. Jeremiah 2:31-34; Revelation 18:5.

We therefore call upon all who love peace and order and who believe in the Bible as God's inspired Word to bring the following message to the nations of the world:

This warning is clear and is clearly the time for the separation of those who prefer evil from those who love righteousness and dedicate their lives to God.

We warn the second warning to all such peace and order loving and God-fearing ones who are associated with the denominational churches, and point to them the fact that they can have no part in our Lord's kingdom unless they repudiate the Word of God and deny the Lord Jesus and His kingdom; and we call upon them to heed the Word of God and separate themselves from the ungodly church and to come out to the light, lest they be partakers of her sins and of her plagues. Revelation 18:4.

We therefore call upon all who love righteousness and dedicate their lives to God to bring the following message to the nations of the world:

We now stand at hand in the hope and salvation of the peoples; and that they individually and collectively declare themselves on the side of the Lord and in sympathy with His cause, and they receive the blessings of God's kingdom, which He has prepared for them from the foundation of the world.

The world Crisis - jude rutherford's lecture

Armageddon

The great event of the ages is upon the nations of the earth. There is an intense excitement everywhere. All Christians should sound the alarm. Concerning this alarm, let all the inhabitants of earth, self-righteous, friend, professing and harboring hopes of a future kingdom, the worthies of humanity universal. Harboring hopes of a future kingdom, the worthies of humanity universal. But in truth, the alarm would sound upon them in all walks of life. The nations are madly rushing toward Armageddon, and are vying with each other in prophecies, parodies, extravagancies and deceptions. Internal disasters, epidemics, famines and wars are rampant.
